

Dear Resident / Business owner,

Forest Road - Overnight Road Resurfacing

Road resurfacing work between Ferry Lane and the Green Ferry Way Road junction is due to begin on the evening of Monday 16 May 2022 for 5 nights.

This is essential work that cannot be carried out during the daytime due to the amount of traffic present on Forest Road. The resurfacing will be carried out overnight, Monday to Friday, between 8pm and 5am.

Some disruption and noise is inevitable with this type of work, however, every effort will be made to keep inconvenience to a minimum. Subject to progress, the work should be completed by Saturday 21 May.

To allow the resurfacing to be carried out safely and efficiently there will be a temporary access restriction into and out of Green Ferry Way with access being granted to permitted vehicles only (right inwards and left outwards permitted only).

The emergency services have been informed of the working arrangements and access for fire, police and ambulance will be maintained throughout the work.

In line with current restrictions, no parking or loading will be permitted in Forest Road. Your help in not parking during the works would be appreciated. If vehicles are found to be parked in or around the working areas, the Council's parking enforcement contractor will issue a penalty notice and will either relocate or impound the vehicle (contact details and charges are shown overleaf).

Thank you in advance for your patience while the works are being carried out.

If you have any questions or would like more information you can email questions to enjoy@walthamforest.gov.uk

Kind regards,

Aaron Banfield
Project Manager
Waltham Forest Council
