Date: 26 November 2021

RE: Hoe Street between Orford Road and Lea Bridge Road construction

Further to our previous letter sent on 28 October 2021, we will be closing Queens Road at its junction with Hoe Street starting Monday 29 November for approximately two weeks, weather permitting.

Following this, works will be moving to the Orford Road junction with Hoe Street, starting 10 January for approximately two weeks.

While the Orford Road closure is in place, we will also be undertaking works to replace existing speed cushions with sinusoidal speed humps on Orford Road, between Hoe Street and First Avenue. The new sinusoidal speed humps will help slow traffic speeds and provide comfort for cycling. This is being done in response to requests received during the Hoe Street public consultation in the summer. A letter will be sent closer to the time giving more information regarding the parking suspensions for the construction of speed humps in Orford Road.

Work will take place between 8am and 5pm, Monday to Saturday. Please bear with us so we can make these improvements to the area as soon as possible. Our contractors will be working to keep disruption to an absolute minimum.

Parking will be suspended around the junctions with Hoe Street, and this will be clearly marked with no parking signs and barriers. Please avoid parking in these coned off areas as penalty notices will be issued and, as a last resort, vehicles will be removed and impounded if they are parked in a space that obstructs works. You can find contact details for the Council's parking enforcement contractors and details of their charges overleaf, should you need them.

I apologise for any inconvenience caused by the works. In the meantime, if you need any more information regarding this scheme do please contact us by email at enjoy@walthamforest.gov.uk

Kind Regards

Enjoy Waltham Forest Team

Parking enforcement contractor details

NSL Waltham Forest North London Pound,
Unit 2, Orbital Business Park,
Argon Road,
Edmonton
London
N18 3BY
